Meeting Shadow, the Dog.

Born under a silent moon, he is more than a sentinel. Shadow's senses pierce through deceit as his loyalty grounds your spirit. His bark is a rallying cry to the good, and his bite, the bane of darkness.

Beholding Ember, the Dragon.

Though she may be but a whelp, the fire of her ancestors blazes within her. From her breath, flames will dance to ward off evil, and her wings will shield you from harm.

Whisper, the Cat.

Do not be swayed by her serene gaze, for she commands the shadows that even darkness fears. A whisper from her is enough to reveal the unseen, and her claws can cut through the very fabric of malevolence.
